QUASAR

COSMOS SQUARE 100 SUSPENSION by Jan Pauwels

Cosmos Square 100 looks structured but still harmonious. Modular placed LED circuit boards and tiny metal rods are the only two basic elements of this light fixture. They give the lamp its structure and shape. The circuit boards have leds on both sides. 2/3 of the light is going downwards and 1/3 is going upwards. (see model Universe Square 100 for the version with E10 lamps)

DIMENSIONS
