ABOUT ANEMONE

SUSPENSION by Ralph Frickel

Secrets of the reef. With its bold design the Anemone pendant reflects the elegance and grandeur of the French Empire crystal chandeliers, yet with a modern twist inspired by the underwater world. The thickness of the cables increases with the size. The smallest is made of 2mm wire rope, the middle version with 3mm and the largest with 4mm wire rope. The power cable is with a light grey textile cover.
