KENGI GOLD SUSPENSION by Studio Sybille

Inspired by the Physalis Alkekengi plant, with a touch of Art Deco. Organic in look and feel, but strong in detailed construction. The cotton cable reaches for the ceiling, threaded like a branch, reaching for the sun. The finish of each structure is paired with its own coloured cable. The thickness of the cable increases with the size of the fixture. Every Kengi is unique, featuring its own mouth-blown glass ball.
